Referral Program

Looking for a way to make a little extra cash? Here's a great opportunity to tap into your existing business network and get paid for referring the graphic design services of the Greater Boston Graphic Design Company.

How it Works

- 1) When you come across a company in need of our services, fill out the card with your information and pass it on to your referral.
- 2) Send us an email at referral@gbgdco.com with your name, the referred company and company contact name so we can track the progress of your referral payout.
- 3) When your referral does business with us*, we'll cut you a check for 10% of the cost of their job*.

* Details:

1- The referred customer must submit down payment and signed GBGDco contract for graphic design services.

Referral payout will be mailed once down payment is deposited and cleared by GBGDco's bank.

2- Referral payout will be paid by company check, delivered via USPS mail directly to the Individual, Organization or Employee.

3- Referral payout applies to new clients and new work only. Repeat clients/business does not qualify.

4- If you are an employee of a participating company, the referral payout will be split 50/50 between you and the company.

If your company is not participating, you'll get 100% of the referral payout.

5- "Cost of their job" refers to the estimated cost. Final invoice may be higher or lower. No further payout will be paid at end of job.

6- You cannot "refer" your own company.

* To qualify, the referred customer must submit down payment and signed GBGDco contract for graphic design services.
